HOLISTIC HAIR TRIBE PARTNER PROGRAM

*Let's root for each other
and watch each other grow.*

www.holistichairtribe.com

Welcome to the future of retail product sales.

At Simply Organic Beauty, we've been dedicated to changing salons for the better for over 20 years.

Our mission started with bringing high performing, non-toxic salon products from around the world to your salon chair—now, we've taken our commitment to you a step further.

Our Holistic Hair Tribe Partner Program was created to empower hair stylists with the tools to thrive in our new convenience economy—a world where brick-and-mortar retailers continue to close and online shopping rules the day.

Our new, easy-to-use online tool lets you—verified professionals—sell our entire collection of holistic beauty products to your clients, friends and family without having to purchase inventory nor pay for shipping.

Finally, a way for hair stylists to compete, and even beat online retail channels.

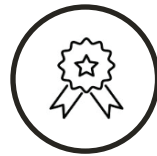

HOW IT WORKS

1. Register as a Holistic Hair Tribe Partner.

Have your cosmetology license number ready! Once verified, you'll receive an e-mail to activate and setup your Partner Dashboard.

2. Check your Partner Dashboard.

Your Partner Dashboard is where you'll find your unique Referral Link and Partner Code, and is how you monitor the product sales of yourself and commissioned stylists (optional).

3. Share your Referral Link and Partner Code.

Whether you're making a product recommendation on social media, over text or while a client is processing, share your unique Referral Link and Partner Code! You'll earn commission on every purchase made through your link.

4. Client orders are shipped directly to their door!

Orders are instantly sent to our Simply Organic distribution facilities. They're prepped in eco-friendly packaging and sent directly to your client's door!

5. Get paid!

You'll earn 30% commission on every sale made through your link, and any commissioned stylists in your network will make an additional 10%! Once a client makes a purchase, you'll earn income on their purchases for life!
